

How to register a Master

Masters manage large land parcels.

They are able to view, edit and configure controllers for different users/individuals.

STEPS TO FOLLOW: MASTERS

1 In order to become a Master, please contact us (info@progres.es) so we can provide you with credentials.

2 We'll send you an email with your Master code, which you will need to provide to the users whose controllers you wish to view.

STEPS TO FOLLOW: USERS

1 You'll need to have a professional account in order to register a Master.

2 To obtain a professional account, visit www.app.progres.es/en and find the section titled "My Account". Under "Account Data", select "Account type: Professional".

4 Visit www.agronicweb.com and, in the icon in the upper right corner, select "User administrator".

- 5** If you would like to share all controllers and grant all permissions to the Master, skip to step 7.
If you would like to share only certain controllers, or only grant the Master permissions to view or edit, you will need to create a subuser.

- 6** Choose the permissions the Master will have over your controllers (see, edit and configure).
